Early Light Industrial Co., Ltd.

File name: PCP (rev A)

update on Feb 27, 2013

PCP Requirement for Early Light

All substances or preparation that supply to Early Light do not contain Pentachlorophenol (PCP), which is under REACH Annex XVII. (Formerly known as Directive 91/173/EEC). Also that comply with the German National Regulation of Chemicals Prohibition Ordinance, where the PCP content limit is 5mg/kg or less.
